Can Help You With
Your Employment Issues

Problems at work?

**Do you know your employment
rights?**

**Have you been discriminated against,
unfairly treated or harrassed?**

Call us today on 020 8767 2777 for employment advice
You must act promptly to bring a claim as time limits apply

We work with people on a range of employment
issues including:

Unfair Dismissal - If you have worked for your employer for
more than two full years and you have been sacked unfairly, we
can help you bring a case in the employment tribunal.

Settlement Agreements - If you and your employer have
agreed to end your employment and wish to enter into an
agreement to show this, then we can help you to make sure
that the agreement suits your needs.

Unpaid Wages - If your employer is
withholding your pay, we may be able
to help.

Appeals - If you feel that a
sanction imposed on you by an
employer is too harsh, we can
help draft a letter of appeal.

We offer a free half hour
appointment to advise on the
range of options open to you
and available funding
including no win no fee
